

## Galapagos Islands Live-aboard Dive Adventure Dec. 13th- Dec. 20th, 2018

Galapagos is one of the most exciting destinations in the world. Guests have the opportunity to dive with playful Sea Lions, travel to the famous Darwin and Wolf for thrilling diving to see Hammerhead Sharks, Whale Sharks, clouds of Tuna and much more on their Galapagos Islands liveaboard scuba diving trip. The scenic view of the Darwin Arch is as picturesque as you can imagine.

The GALAPAGOS AGGRESSOR™ liveaboard departs from Baltra every Thursday afternoon and are the perfect platform for a Galapagos diving holiday that you will remember for a lifetime. In March 2016, Ecuador created a marine sanctuary in the area of Darwin and Wolf that includes 15,000 square miles as off limits to all fishing to conserve the sharks that congregate there and the ecosystem on which they rely. 32% of the waters around the Galapagos islands will now be protected from fishing.
