Upon arriving in West Palm beach the boat will leave for tiger beach located near West End on the North West corner of Grand Bahama island. We will cross the Gulf Stream as you sleep on the first evening aboard. You will wake up and after clearing customs, will be a very short ride from West End to Tiger Tiger Beach. The visibility and the very shallow depths make for 70 minute bottom times with these majestic creatures. This is a life experience that should be experienced by all Marine animal lovers. On this trip you will learn so much about sharks their behavior and the most amazing interactions you will ever experience.
