

Kona Hawaii Dive Adventure 2019 December 7th to December 14th

Join the Brass Anchor for an amazing adventure to Kona Hawaii, famous for its Manta Night Dive which is only one of the many amazing dives to be had in Kona. The Big Island's volcanic underwater topography is a diver's wonderland. Lava tubes, bommies, arches and huge craters like "Au Au Crater," create a spectacular backdrop for Hawaii's many indigenous species of Butterfly fish. Photographers will delight in the many subjects like Spanish Dancers, turtles, mantas and frogfish.

Kona is located on the Big Island of Hawaii. The KONA AGGRESSOR II™ liveaboard operates out of downtown Kailua-Kona. The KONA AGGRESSOR II™ offers a week of hassle-free liveaboard scuba diving along the western coast of the island at favorite sites like Paradise Pinnacle, Tubestria Tunnel, The Hive, Turtle Pinnacle and Rob's Reef. The yacht ventures far from the reach of day operators to beautiful South Point, the southernmost tip of Hawaii and the United States, weather permitting. With lava flows in the background, divers suit up for a week of spectacular Kona liveaboard diving. Excellent snorkeling available

Kona scuba diving begins Sunday morning and ends Friday afternoon when the Aggressor returns to port. Sunday through Thursday there is unlimited diving throughout the day and a night dive each evening. Friday a half-day of diving is offered.
