

# Key Largo, Florida Diving weekend!

## Feb. 26th-28th, 2021

Join the Brass Anchor Scuba Center for an unforgettable weekend of diving. This trip is primarily set up for PADI photography class, open water, advanced certification and specialty course dives, for our winter of 2021 PADI classes. The diving will be mainly shallow reef diving with options for divers to explore deeper wrecks. This trip is also available for certified divers that are itching to get wet. Certified divers have the option to do some deeper wreck dives in the mornings and to add on additional afternoon dives. Please contact us to reserve your spot! We can offer recommendations for nearby places to stay but it is up to you to book your own accommodations for this trip. Please let us know if we can help! We hope you'll join us for some fun blowing bubbles. Come enjoy a weekend of diving with Brass Anchor!
