

Belize Liveaboard Adventure

Sept. 30th to Oct 7th, 2023

Belize is a wall diver's paradise adorned with huge crimson gorgonians and giant orange elephant ear sponges. On our Belize liveaboard dive trip in the Caribbean, you will enjoy hassle-free diving at Lighthouse Reef, Half Moon Caye., the Blue Hole and Lighthouse Atoll. The Belize Aggressor IV is a 138' yacht with a wide 26' beam. Built and powered for comfort, safety and stability, she is diesel-powered, cruises at 12 knots and has 110-volt power onboard. Accommodations include 8 deluxe staterooms with two twin beds or one king bed and 2 master staterooms with one queen bed. All staterooms have climate controls. The Belize Aggressor IV sleeps 20 guests in privacy and comfort. She features a roomy, air-conditioned salon and dining area, sun deck with lounge and deck chairs, outdoor sound system, shaded cocktail deck, grill, and a photo editing computer for guests. Diving amenities include individual dive lockers, camera table with low-pressure air hoses, and two hot, fresh water showers.

Most major airlines fly into Belize City: American, Delta, United and Taca. There are many direct flights from the US and several connecting flights for the UK and Canada. Recommended Hotels: Radisson Ft. George (walking distance to yacht), DuPlooy's Jungle Lodge & Chaa Creek, Cayo District – Rain Forest (2 hours from Belize City), Ramons Village (Ambergris Cay).
