

South Florida Scuba Diving

Join us aboard "**Neptunus**" for two thrilling days of offshore drift diving, where adventure awaits you! We take care of everything, from transporting your gear from free on-site parking to the boat, to providing safety briefings and assisting with all your diving needs.

Our full-service Coast Guard-inspected dive boat features unlimited drinks, snacks, and freshwater rinses, ensuring a vacation-like experience. Dive into excitement and make unforgettable memories on our South Florida diving trips—discover the underwater wonders that await you!

Brass Anchor has teamed up with **Shellback Scuba** in **Jupiter, Florida**, to provide unparalleled diving experiences along the Palm Beach Coast, featuring the Turtle Aggregation where you can encounter Loggerhead, Hawksbill, and Green turtles. Dive among Lemon, Tiger, Nurse and Bull Sharks found on many wrecks and reefs, and marvel at Goliath Groupers as large as cars.

Choose from two exciting dates to join us for an unforgettable diving adventure! Dive into exploration and make the most of your underwater journey with us.

Easily book your trip by clicking on one of the experiences below that best suits your schedule and preferences.
