

Maldives The Best of Itinerary

Jan 3rd to Jan 10th, 2027

Bass Anchor and Explorer Ventures Liveaboards are diving in the Maldives, and is a must-do for every avid scuba diver. A dreamy tropical oasis above and below, the Maldives atoll offers [world-class diving experiences](#) wowing with an abundance of marine life and spectacular coral reefs. Made up of nearly 1,200 islands, the inner and outer reefs are a haven for wildlife. Scuba divers will have the opportunity to see congregating sharks, manta rays, and whale sharks – year-round. As well as marvel at the unique underwater pinnacles and thila.

Best of the Maldives Itinerary

Where: Rasdhoo, North & South Ari, Vaavu and North & South Male Atolls

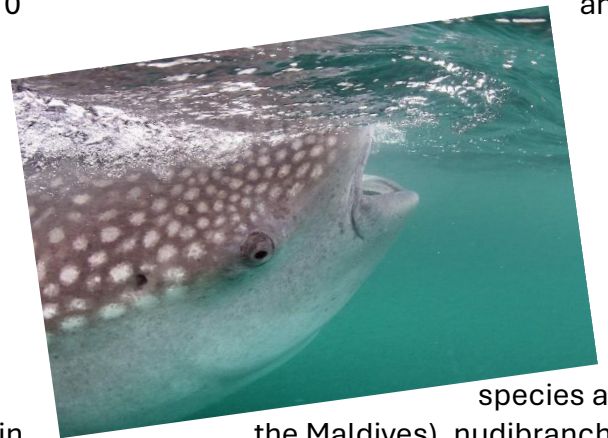

When: All year

Trip Length: 10
7 nights

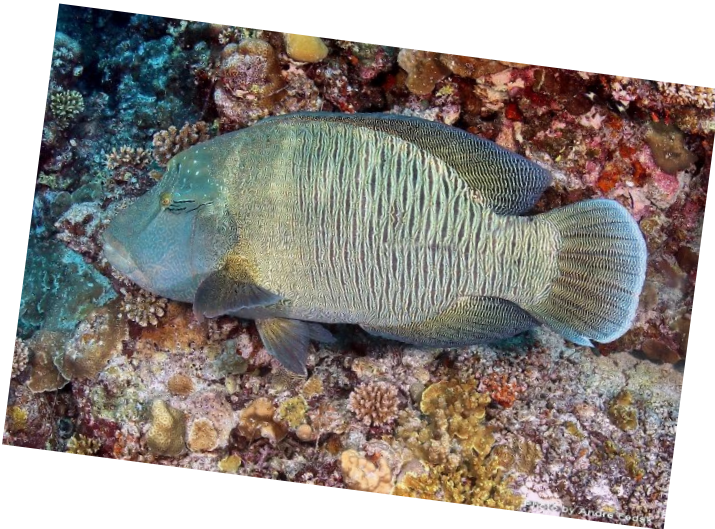

**Airport
code:** Male
(MLE)

There's a

reason this is the most often requested and often run Maldivian liveaboard itinerary! Fish life galore (over 1000

species are found in the Maldives), nudibranchs, sea turtles, whale sharks, and more mean something for everyone's wish list. Photographers will be hard-pressed to decide between macro and wide-angle lenses! On this popular itinerary, divers experience a sampling of the many extraordinary types of sites including lush thilas (reef mounts), manta cleaning stations and deep channel dives. It's easy to see why many guests choose this for their first Maldivian adventure and then return!
